Hi there,

Looking for professional experience in a growing field. Pursuing my passions and finding new ones along the way.

In addition to web development, my other hobbies include writing, storytelling, painting, swing dancing, cycling, and craft beer.

Job History

Taproom
Supervisor
Aeronaut Brewery
2015 - Current

I started working at Aeronaut as a part-time bartender, but quickly fell in love with it's vision of "following your dreams" and dedication to the community.

Baker
Petsi Pies
2014-2015

Petsi Pies was a wonderful foray into one of my many passions in life - baking. I performed many roles there: managing a kitchen, baker, cook, and friendly face.
